Description of Proposed Works

Please describe the proposed works

To create a porch leading from the existing kitchen external door, to the existing outdoor building. By extending the existing flat roofed overhang to reach the existing outdoor building door to enable access internally. Also build two pillars to install patio doors to close off the porch area from weather. To cover existing patio floors with insulation and wooden boards then panels. Leave gap between neighbouring property wall and clad the current wooden posts with wood boards to create a fake wall. No digging floors or drilling into brick walls or neighbouring walls at all. To install large glazed glass window for natural lighting next to the large patio doors adjacent to neighbour at their request although the extension does not affect the sunlight reaching their garden as sun rises from the east which is to the right side of their garden.
