Subject: RE: Planning Consultation Request for case ref: 26/0143 (Roman Legion Museum High Street Caerleon Newport South Wales) (Trees in Con Area)

Hi Emma

Mature trees provide both public and visual amenity and make a very positive contribution towards the character and appearance of Caerleon Conservation Area.

Upon this basis, every effort should be made to retain the trees in good health. However, I will leave it to our Tree Team to comment upon the precise nature of these proposals and their potential impact upon tree health.

Many thanks,

Guy Arnall
