

APPLICATION NUMBER: 25/0919

PROPOSAL: OF 23/0163 FOR RESIDENTIAL DEVELOPMENT OF 43 UNITS

SITE: Newport Export Packing Queens Hill Newport NP20 5HJ

APPLICATION TYPE: NMA

TO VARY CONDITION 6 (LANDSCAPING)

The amendment appears to be to submit landscape information from 'Before the commencement of development (excluding demolition)' to 'Before the commencement of the superstructure'.

I have no objection as a lot of soft landscape detail has already been submitted for 23/0163 and for SAB.
