

APPLICATION NUMBER: 25/0362

PROPOSAL: RETROSPECTIVE APPLICATION FOR THE REMOVAL OF EXISTING
HEDGE AND REPLACEMENT WITH FEATHER EDGE FENCING

SITE: 7 Bardsy Close, Newport, NP19 7TE

APPLICATION TYPE: Full

No objection or conditions.

The hedge removed was ornamental Cypress.

The new timber fence is shown at around 1.3m height on existing 500mm high brick wall which gives an overall height of around 1.8m which is typical of the area.

The garden has a limited size to provide any new planting that might help to soften the fence line over time.
