Dear Sir,

Re: Application number: 25/0585

I object to the above property being converted from a 12 bed HMO to a 12 bed Hostel. I live next door at 48 Clarence Place, Newport. NP19 0AH. My name is [REDACTED]. The reason I object is because the noise is unbearable at night for me to sleep. There was even one time the whole area was sealed off by the police because some one had petrol bomb in his room at 52-54 Clarence Place. I was not allowed to go to my room.

You can see it online. Do not allow hostel it will be more trouble for us residence.

Thank you
