**Subject:** 100 Somerton Road

Good morning,

I would like to support Yellow Bunnies Daycare application to change the business outlet at 101 Somerton Road, Lliswerry from a hairdresser to a Daycare Centre for the babies of the area.

Although I have no grandchildren living in this town I am aware of the struggle for parents to find good nurseries and consider that to have one opening at such a central position would be of huge benefit to all young parents around Lliswerry. From a purely personal viewpoint it would be lovely to see the premises operating as a business again and being used to its full potential within the community.

Best wishes,
