Subject: Planning for 100 Somerton rd NP19 0JX

I am emailing with regards to the proposed change of use of 100 Somerton rd (formerly perfect hair & beauty)

I live just up from this building on Lliswerry rd and have grandchildren that will be attending Lliswerry primary school & yellow bunnies nursery would be a great asset to the area and a much needed one to reduce the traffic congestion by Lliswerry primary school . The building is a prime location and I would love to see it used as a private nursery than any other sort of business

Hoping this business gets the planning it needs

Regards
