Subject: 221 Mill Heath Bettws

Good afternoon Vicky Quinn

Connl/25/0217

In regards to the dwelling of a children's home that only a few neighbours have had letters..

The whole street should have been informed.

I'm not happy about this due to the problems it can bring to the street we have vulnerable people living in the street also the other problems it could bring not knowing why or who is living there.

It's will devalue property in the area .

I'm a council tenant wanting to exchange who's going to want to move here now...

I oppose to this going ahead...
