Description of Proposed Works

Please describe the proposed works

Pre advice planning enquiry already sought (ref P/250134) and as requested now submitting a full application The proposal is to replace the existing access gates with taller gates. The existing gates are 1550 & 1260 mm high and we would like to replace them with higher 2m gates please see sketch for full details. We are particularly vulnerable having had a dwelling house burglary and on another occasion garden furniture stolen. The boundary wall is in a bad state and we would rebuild and repair it with the same stone to match in with the house. We do of seek to change the height of the wall. The design of the gates would allow for views of the elevation as set out in the pre advice decision. The gates would be made of high quality hard wood
In order to comply with biodiversity requirements we would install additional bird boxes.

Has the work already been started without planning permission?

- ☐ Yes
☒ No
