Morning Vicky,

That's brilliant thank you for providing the information. We would have any objection to that.

Thanks again

Anthony

You don't often get email from vicky.quinn@newport.gov.uk. [Learn why this is important](#)

Hi Anthony,

Please see attached supporting statement. I don't have any further information about the child to be housed there but can try and seek it from the agent if you require anything further – please let me know.

It is a small two-bedroom property (floor plans also attached) with one child to be housed at a time.

Regards

Morning Vicky,

I was just wondering if we can arrange a meeting around the proposed change of use for the above location. I just wanted to know a bit more before coming back to you, just wanted to know amount of children which will be housed at the location. Their Back ground in where they are coming from and what they have been through.
