Description of Proposed Works

Please describe the proposed works

Replacement of rotten door frame, door, cracked stained glass and dangerous hanging mantle. Current door issues are resulting in black mold and need to replace before health issues occur. Like for like however will stain rather than paint in grey as per existing pictures. Will be constructed using oak. Not sure what existing wood is but oak will be superior and stain is more in fitting with neighbors e.g Great House, Pear Tree etc. These doors are clearly not original as confirmed by several carpenters and actually more expensive to put back like for like. If rejected then will just go with composite door which you guys have approved up and down the street which I am very surprised at but given precedent will no doubt be approved.

Hello Mr Hibberd,

I have cc'ed the Heritage officer in to this email and attached a copy of Article 4(2) explaining that developments concerning the removal, renewal or alteration of doors or door frames in external walls of dwelling houses should not be carried out within the listed properties in SCHEDULE ONE (including Moss Cottage, Isca Road) as permitted development rights have been removed. As a result, a planning application is needed, and no planning application fee will be required.

Hope this helps.

Kind regards

Harpreet Khela
