Please describe the non-material amendment(s) you are seeking to make

Removal of condition 5 and substitution of approved plan entitled Community Parking Spaces (ref. 19097 05 1106B) with the proposed parking layout plan.

Please state why you wish to make this amendment

Due to the prescriptive wording of condition 5 of planning permission 21/0360, it would not be possible to discharge it as submitted, given that the parking provision is in a different part of the site to that written into the condition. Therefore an NMA is being submitted to firstly update the approved plans list to replace the approved plan entitled Community Parking Spaces (ref. 19097 05 1106B) with the proposed parking layout plan, and secondly, to remove condition 5, which prescribes the need to accord with that same plan.

Are you intending to substitute amended plans or drawings?
