Dear Sir

Re: Change of use of parts of the ground and first floors to provide 6no. New residential apartments
Kings Chamber 8 High Street Newport NP20 1FQ
Pl.App.No.: 26/0376

Thank you for consulting us about this application; consequently we have reviewed the detailed information contained on your website.

We have consulted the regional Historic Environment Record and note that the proposal is located within the Newport Archaeologically Sensitive Area (ASA). The Kings Head Hotel is a pre-war structure which was used by a battalion of the South Wales Borderers in early 1915 as a recruiting station. A number of photographs exist that depict the Commanding Officer with the Lord Mayor of Newport outside the hotel's main entrance. The building is extant but is currently unused, with significant internal alterations apparent.

Additionally, the current application is for a change in use of parts of the ground and first floors, with the external elevations preserved within the proposed scheme. Overall, it is unlikely that archaeologically significant material will be encountered during the course of the proposed works.

As a result, there is unlikely to be an archaeological restraint to this proposed development and consequently, as the archaeological advisors to your Members, we have no objections to the positive determination of this application. The record is not definitive, however, and features may be disturbed during the course of the work. In this event, please contact this division of the Trust.

If you have any questions or require further advice on this matter please do not hesitate to contact us.

Yours faithfully

R. Dunning
