Hello,

Regarding the application

T1 - No Objections

T2 - No Objections

T3 - the extent of the reduction needs to be specified a photo will do. No objection to the deadwood and crossing branches.

T4 - No Objections

T5 - No Objections

T6 - Evidence for hight reduction required, a hight reduction of 15% is effectively topping and not usually good practice with birch.

T7 - No Objections

T8 - No Objections

T9 - No Objections, suitable species for preposed works unlikely to harm the long term health of the tree.

T10 - No Objections

Conditions

1. All works must be to BS 3998
2. Felled trees must be replaced with select standards (10-12 at 1m as per BS 8545) at a rate of three trees per each tree felled. The trees should be replanted on site or if unable to be suitable planted on site off site mitigation can be considered but should be replaced nearby or on public open space within the Newport boundary (this needs to be agreed with NCC Tree Team).
3. Replacement trees if planned on site or not on public open space should have evidence of establishment supplied two years after planting, should the trees fail to establish they should be replanted and the two year period restarted.

Cofion Cynnes / Kind Regards,

Richard Baron
