Hi Emma

Re: WORKS TO A MIXED TREE GROUP (PRUNING AND FELLING) PROTECTED BY THE CAERLEON CONSERVATION AREA

These works to trees are proposed within both Caerleon Conservation Area and SM MM240 (Caerleon Legionary Fortress: Area behind Caerleon House).

The area in question is an enclosed courtyard garden to the rear of Caerleon House.

Mature trees provide both public and visual amenity – and they are considered to form an integral part of the character and appearance of this enclosed rear garden and the wider Caerleon Conservation Area. As such, they should be preserved wherever possible.

I will leave it to our tree team to conclude whether the proposed works are necessary for the health of existing trees - and whether a TPO should be served upon those proposed for removal.

Many thanks,

Guy Arnall
