Subject: RE: 26/0527

Hello Francesca,

The proposal takes place within the Gwent Levels SSSI, but I see that NRW have already granted assent, subject to a series of condition, so I have no objection in relation to the SSSI.

Provided the hedgerow adjacent to the site of the cable duct is not affected by its installation, there are not likely to be any significant impacts upon priority habitats, or the species that they support. In this respect I support the comment from our Arboricultural Officer advising that installation complies with guidelines for installation of utility apparatus in proximity to trees.

Matt

Hi All,

Would it be possible to advise if you have any comments in respect of the above? This is a prior notification application so we only have a limited time period to assess it.

Thanks in advance

Kind regards
Francesca Sanders
