Application Description:
PRIOR NOTIFICATION FOR THE INSTALLATION OF 140M OF
UNDERGROUND SOFT DUCT
Planning reference number:
26/0527
Planning case officer:
Francesca Sanders

I refer to the above application passed to the Environmental Protection Team for comment.

Having reviewed the submitted documents, in principle I have no objection to the proposal. The proposed project may generate noise/vibration and these could trigger statutory nuisance complaints from some nearby residents. To prevent such complaints, I would suggest that the applicant is advised to submit a BS5228 assessment to support this application.
