

APPLICATION NUMBER: RECON 25/0953

PROPOSAL: OF 25/0464 PROPOSED SITING OF A NEW AGRICULTURAL STORAGE BUILDING AND RETENTION OF EARTH DEPOSIT FOR THE PROVISION OF LEVEL GROUND FOR THE STRUCTURE

SITE: Lower Wenallt Golynos Lane Rogerstone Newport NP10 9GR

APPLICATION TYPE: Conditions

NO OBJECTION

Planting mitigation consists of 130 linear meters of native mixed hedge, a variety of fruit trees (although no numbers are given), 2no 8-10cmg hedgerow trees and 1 field tree).

There is not sufficient concern for an objection but given the scale of the proposals further tree planting could be undertaken, for example incorporated into the new hedgerow.
