**TOWN AND COUNTRY PLANNING ACT 1990 [as amended]
THE HISTORIC ENVIRONMENT (WALES) ACT 2023**

Application No: **25/0358**
Application Type: **Conservation Area**
Proposal: **CONSERVATION AREA CONSENT FOR THE DEMOLITION OF EXISTING DETACHED SINGLE STOREY GARAGE WITH ASSOCIATED WORKS TO THE ACCESS, AND BOUNDARY TREATMENT**
Site/Location: **Lawnside , 2 Stow Park Circle, Newport, NP20 4HE**
Decision Date: **20th November 2025**

In pursuance of its powers under the above Act the Council of the City of Newport notifies you of its decision in respect of your application, registered by them on 27th May 2025. The application has been:-

Granted with Conditions

STANDARD CONDITIONS

The development must begin not later than the expiration of **five years** from the date of this permission.
Reason: To conform with the requirements of sections 161 and 162 of the Historic Environment (Wales) Act 2023.

ADDITIONAL CONDITIONS

1. The development shall be implemented in accordance with the following plans and documents: 427 - AL(90)03 Site Layout proposed; 427- AL(99)04 - Proposed North East Elevation.; 427- AL(99)03 - Existing North East Elevation; 427 - AL(99)02 - Proposed North West Elevation.; 427 - AL(99)01 - Existing Garage Plan and Elevations; 427 - AL(99)01 - Existing Garage; 427 - Railings and Gates A; 427 - AL(90)03 - Existing Site Layout-Topographical Survey REV A - 04.05; 427 - AL(90)01 - Topographical Survey; 427 - AL(90)00 - Site Location Plan; Tree Constraints Plan A3 2 Stow Park Circle; 18.09.25 AIA 2 Stow Park Circle; 427 - Heritage Impact Statement REV.A
Reason: In the interests of clarity and to ensure the development complies with the submitted plans and documents on which this decision was based.
2. Prior to the commencement of development, The Tree Protective fencing as laid out by the AIA at point 6; '18.09.25 AIA 2 Stow Park Circle', must go up before works commence and be the last thing to be removed from site post completion. This must be signed off by the appointed Tree Consultant.
Reason: To protect the trees within the development site.
3. The proposed development, hereby approved, namely, the section of the proposed boundary wall, to the front of the site, located adjacent to the reconstructed pillar, shall be reconstructed with the existing stone as confirmed via email document 'Email from Sam Westcott 11/11/2025 Wall Materials'. The wall shall be of rubble construction with coping, all to match the existing in terms of type, coursing and colour, the boundary wall shall be completed within 12 months of the demolition of the existing boundary wall and retained thereafter.

Reason: To ensure the development is carried out to preserve the Conservation Area.

4. The proposed development, hereby approved, namely the reconstructed piers, the pennant paving laid on the driveway, the black railings and gate, and the 1.8m stone wall around the driveway shall be carried out in accordance with plans: 427B - AL(90)03 - Proposed Site Layout; 427B - AL(60)01 - Proposed Railing; 427B - AL(99)02 - Proposed NW Elevation; 427B - AL(99)04 - Proposed NE Elevation. 427 - Railings and Gates A, in terms of type, material, and colour, the reconstructed piers, the pennant paving shall be constructed in accordance with the approved details within 12 months of the demolition of the existing boundary wall/piers and shall be retained as such thereafter.

Reason: To ensure the development is carried out to preserve the Conservation Area

NOTE TO APPLICANT

The development should be carried out fully in accordance with the proposals shown in the application and in the plans and particulars accompanying such application as varied and amended by this permission.

This decision accords with section 160(1) of the Historic Environment (Wales) Act 2023.

This decision notice is issued in respect of Planning Permission only and does not convey any approval which may be required under any other legislation or provisions, such as, but not limited to, Highways and Building Regulations. For advice on the requirements of the Building Regulations and allied legislation, and/or whether there is a need for a Building Regulations submission, please contact the Council's Building Control Section on 01633 656656 or email building.control@newport.gov.uk. For advice on obtaining relevant permissions from the Highway Authority, please contact highway.planning@newport.gov.uk

01 The development plan for Newport is the Newport Local Development Plan 2011 – 2026 (Adopted January 2015). Policies SP9 and CE7 were relevant to the determination of this application.

02 Technical Advice Note 24 (The Historic Environment, 2017) was relevant to the determination of this application.

03 The plans have been assessed on the basis of the scale or dimensions stipulated and any statement of 'do not scale' (or similar) has been disregarded.

Where there are conditions which require details to be approved prior to the commencement of development, failure to submit these details prior to commencement of development may result in the permission being invalidated.

1. The development plan for Newport is the Newport Local Development Plan 2011 - 2026 (Adopted January 2015). Policies GP2, GP6, CE7 were relevant to the determination of this application.
2. Due to the minor nature of the proposed development (including any demolition) and the location of the proposed development, it is considered that the proposals did not need to be screened under the Environmental Impact Assessment Regulations.
3. This consent does not relate to any tree works within the Conservation Area.
4. The Applicant is reminded to avoid disturbance to nesting birds which are protected under the Wildlife and Countryside Act 1981: Part 1, 1(1)(b), whereby it is an offence to intentionally take, damage or destroy the nest of any wild bird while that nest is in use or being built.
5. Bats often roost in trees, and work on these trees may disturb a bat roost if one is present. All bats and their roosts are protected against disturbance under UK legislation. If works are planned on a tree in which bats are known to be roosting, Natural Resources Wales (NRW) must be contacted for advice.

If work has already commenced and bats are found, or if any evidence that bats are using the site as a roost is found, work should cease and NRW should be contacted immediately.

Where there is a likelihood that bats are present, or where bats are found to be present, a suitably qualified and experienced ecological consultant should be contracted to provide an assessment of the impact of the proposed works, and undertake bat surveys if necessary.

Where bats or their roosts are present, no works of felling or removal of major limbs should take place unless a licence to disturb these species and/or their roosts has been granted in accordance with the relevant legislation. Otherwise, a prosecution may result.

Notes for Applicants

TOWN AND COUNTRY PLANNING ACT 1990 (as amended)

Appeals to the Welsh Government

- If you are aggrieved by the decision of your Local Planning Authority to refuse permission or grant it subject to conditions, then you can appeal to the Welsh Government under Section 78 of the Town and Country Planning Act (as amended).
- Appeals must be made within a prescribed time period that is dependent on the application type. These time periods along with further information on the appeals process are available here and should be checked immediately: [Planning appeals | Sub-topic | GOV.WALES](#)
- Appeals in respect of:
 - Householder and 'minor commercial' development must be received within 12 weeks from the date of the decision notice;
 - Advertisement consent applications must be received within 8 weeks from the date of the decision notice; and,
 - Other types of planning application must be received within 6 months from the date of the decision notice.

Appeal forms can be downloaded at Planning Casework (gov.wales) or are obtainable from Planning and Environment Decisions Wales, Crown Buildings, Cathays Park, Cardiff, CF10 3NQ, email PEDW.Casework@gov.wales

- The Welsh Ministers can allow a longer period for giving notice of an appeal, but are not normally prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- The Secretary of State need not consider an appeal if it seems to the Secretary of State that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.
- In practice, the Welsh Ministers do not refuse to consider appeals solely because the Local Planning Authority based their decision on a direction given by them.

Purchase Notices

- If either the Local Planning Authority or the Welsh Government refuses permission to develop land or grants it subject to conditions, the owner may claim that he/she can neither put the land to a reasonable beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.
- In these circumstances, the owner may serve a Purchase Notice on the Council. This notice will require the Council to purchase his/her interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990 (as amended).
