Hi Emma,

Yes it was nice to meet you and the meeting felt productive.

I can confirm that the proposed outbuilding is to be used as an outdoor classroom for the benefit of the existing nursery with the capacity as it currently stands (so no additional children are planned). As with a number of the other Acorn Nurseries in Cardiff, the intention is to provide a space that can be opened up to the gardens and play areas, which will also provide shelter during rainy days and also hot sunny days.

Hope that makes sense.

As discussed, let me know if you require any other information once you have had your team meeting, and hopefully we can then reach a positive decision.

Kind regards,

Ian Jenkins

Hi Ian,

Thank you for meeting with me yesterday.

Please could you confirm how the outbuilding would be used? Will this be an additional classroom, to include additional students, or would the use be in conjunction with the nursery with the capacity as it is now?
