Reasons for comment:	
Comments:	We have concerns about the very large tree growing at no. 20 being destroyed if a build is not done with care. The tree is on the border of our land at no.22 and we can see the size of the roots in our garden are extremely large, so if a build is not done sensitively at no.20 the tree would be compromised. It is a truly beautiful tree that is quite old, and is a real asset to our neighbourhood. We would therefore like this investigated.
