## TOWN AND COUNTRY PLANNING ACT 1990 [as amended]

Application No: **26/0345**

Application Type: **Full**

Proposal: **PROPOSED CHANGE OF USE FROM MIXED RETAIL/RESIDENTIAL TO 6 BEDROOM HMO (PART RETROSPECTIVE)**

Site/Location: **6 Alexandra Road, Newport, South Wales, NP20 2GY**

Decision Date: **8th July 2026**

In pursuance of its powers under the above Act the Council of the City of Newport notifies you of its decision in respect of your application, registered by them on 1st May 2026. The application has been:-

### Refused

Reason(s) for refusal:

1. Insufficient information has been provided regarding the highly vulnerable use is not supported by a proportionate Flood Consequences Assessment and therefore the consequences of flooding have not been demonstrated to be managed or mitigated contrary to Technical Advice Note 15 - Development, Flooding and Coastal Erosion (2025) and Policy SP3 of the Newport Local Development Plan 2011 - 2026 (Adopted January 2015).
2. The development would have a significant adverse impact upon interests of acknowledged importance, namely it represents an unsustainable form of development which fails to be mitigated by contributions towards affordable housing. As such, the scheme is contrary to the Planning Obligations SPG dated January 2020 and policies SP1, SP13 and H4 of the Newport Local Development Plan 2011-2026 (Adopted January 2015).
3. The proposed use would result in demonstrable harm on the living conditions of any current and future occupant due to insufficient levels of daylight, sunlight and outlook, contrary to the aims of Policy GP2 of the Newport Local Development Plan 2011 - 2026 (Adopted January 2015).
4. The proposed waste, recycling and bicycle store, by reason of its shared access would provide a poor standard of bicycle storage, resulting in facilities that are unlikely to be convenient or attractive to use thereby failing the promotion of active travel modes as per the requirements of Planning Policy Wales (Ed.12) to achieve modal shift, and failure to provide sufficient space for the storage of waste and recycling receptacles contrary to Policies GP4 and W3 of the Newport Local Development Plan 2011 - 2026 (Adopted January 2015).
5. The retention of the solid roller shutter in association with the proposed residential use would represent as an incompatible commercial appearance resulting in an adverse impact upon the placemaking agenda of Future Wales - The National Plan 2040

and fails to achieve high quality design and appropriate visual amenity and integration contrary to Policies GP2 and GP6 of the Newport Local Development Plan 2011 - 2026 (Adopted January 2015).

# Notes for Applicants

## TOWN AND COUNTRY PLANNING ACT 1990 (as amended)

### Appeals to the Welsh Government

- If you are aggrieved by the decision of your Local Planning Authority to refuse permission or grant it subject to conditions, then you can appeal to the Welsh Government under Section 78 of the Town and Country Planning Act (as amended).
- Appeals must be made within a prescribed time period that is dependent on the application type. These time periods along with further information on the appeals process are available here and should be checked immediately: [Planning appeals | Sub-topic | GOV.WALES](#)
- Appeals in respect of:
  - Householder and 'minor commercial' development must be received within 12 weeks from the date of the decision notice;
  - Advertisement consent applications must be received within 8 weeks from the date of the decision notice; and,
  - Other types of planning application must be received within 6 months from the date of the decision notice.

Appeal forms can be downloaded at Planning Casework ([gov.wales](http://gov.wales)) or are obtainable from Planning and Environment Decisions Wales, Crown Buildings, Cathays Park, Cardiff, CF10 3NQ, email [PEDW.Casework@gov.wales](mailto:PEDW.Casework@gov.wales)

- The Welsh Ministers can allow a longer period for giving notice of an appeal, but are not normally prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- The Secretary of State need not consider an appeal if it seems to the Secretary of State that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.
- In practice, the Welsh Ministers do not refuse to consider appeals solely because the Local Planning Authority based their decision on a direction given by them.

### Purchase Notices

- If either the Local Planning Authority or the Welsh Government refuses permission to develop land or grants it subject to conditions, the owner may claim that he/she can neither put the land to a reasonable beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.
- In these circumstances, the owner may serve a Purchase Notice on the Council. This notice will require the Council to purchase his/her interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990 (as amended).
