

Fixed Bike Brackets

BIG DIG Code: MOCWMBR180

City Wallmount Bicycle Rack | 310h x 66w x 290d mm | For 1 Bicycle | 180 Degree Adjustable

The City Wall Mounted Bicycle Rack Adjustable is the cost-effective solution for parking single bicycles up against walls

- Adjustable through 180 degrees
- Wall mounting – easily secured
- Galvanised steel construction
- Suitable for bicycles up to tyre width 50mm
- Supplied with wall fixings

These brackets can be mounted on the interior walls of the shed and are sold individually, so additional brackets can be purchased and added as needed.
